Parking Information

Spots marked "A" or "C" are available without permit outside of the hours of 6am-6pm Monday-Friday (not enforced on weekends). There are also various parking meters, parking garages, etc. around the campus. The tournament stresses the importance of clearly reading all signs and curb markings before leaving your vehicle. Parking tickets are issued on the weekend and your vehicle may be subject to towing. You are responsible for reading/following all posted signs!

There has been a severely increased number of break-ins, so do not leave any valuables in vehicles! Windows are quite frequently smashed in the Bay Area when the smallest items are visible in vehicles, please be careful and don't let it happen to you!
